ABOUT

Bayliner VR4

LOCATION

Dania Beach, Florida, United States

The 2024 Bayliner VR4 is a compact yet versatile bowrider, ideal for families and watersports enthusiasts seeking a blend of performance and comfort. Measuring 18 feet 10 inches in length with a 7-foot 6-inch beam, it accommodates up to seven passengers and offers a maximum horsepower of 115 HP.

Its BeamForward design maximizes interior space by extending the full beam forward, while the AftAdvantage hull design increases the rear seating area by shifting it to the aft-most point of the running surface, allowing the swim platform to extend beyond that. Standard features include a sport-style windshield, swim platform with telescoping ladder, in-floor ski/wakeboard storage, and a waterproof 120-watt AM/FM stereo with Bluetooth capability, offering both fun and functionality in a compact package.
