ABOUT

Lyrica

LOCATION

Hampton, Virginia, United States

Belize is Riviera's ultra-premium, boutique line of semi-custom yachts, with strictly limited production runs annually to maintain high exclusivity and strict oversight. The 66 Sedan carries the line's nostalgic, retro "Downeaster" lines- evoking the classic golden age of boating- while delivering thoroughly modern performance and systems.

LYRICA was custom-ordered new by her current owner and has always been maintained to the highest standards. She has spent her life exclusively in New England, stored indoors through the winter months and cruised regionally each summer; she has never been exposed to the harsh sun of Florida or the Bahamas.

Built by Riviera Australia, her low-profile hardtop design combines generous interior volume with long-range cruising capability. Below decks, bespoke, superyacht-grade cabinetry features curved profiles, seamless welds, and heavy acoustic padding to minimize noise throughout.

Power comes from twin Volvo Penta D13 IPS1350 engines with joystick maneuvering and dynamic positioning, complemented by Glass Cockpit navigation, CZone digital switching, and Sentinel Marine remote monitoring. Her custom three-stateroom, three-head layout includes a teak cockpit with tender garage and a salon with a large U-shaped galley and electric sunroof.

Custom-specified from new and meticulously maintained, LYRICA is presented in excellent condition.

Full specifications
