ABOUT

Hydro Therapy

LOCATION

Speightstown, Saint Peter, Barbados

This 2013 Beneteau Oceanis 50 is the significantly rare 2-stateroom, 2-head "owner's version". The layout is an elegant and spacious sailing cruiser designed for comfortable long-distance voyages. The configuration prioritizes a large and luxurious interior, making it a desirable choice for couples or families who want extra space for onboard living.

The seller is a professional yachtsman, and the care and condition of the vessel are immediately noticeable as being above average upon stepping aboard.

Key Equipment & Upgrades

Energy: Equipped for self-sufficiency with solar panels and a wind generator.

Navigation & Rigging: Newer mast featuring in-mast furling, newer sails, and updated electronics.

Convenience & Comfort: Water maker for extended cruising, air conditioning, a reliable generator, and an updated arch with davits for the included dinghy and outboard.

Recent Maintenance

Fresh bottom paint and recent servicing on both the main diesel and generator ensure the vessel is ready for its next voyage.

Currently cruising the waters of beautiful Barbados, this Oceanis 50 is ready for its next adventure. For a seamless transition, the seller offers delivery to the Southeastern U.S. or Gulf Coast upon closing, along with a personalized 1–2-day orientation.

Contact the listing broker for more information to get aboard. 2013 Beneteau Oceanis 50 Exterior features Sleek design: The Oceanis 50 features a modern exterior with an extended roofline, a fully integrated mainsail arch, and long side windows.

Twin helm steering: The cockpit is equipped with twin steering wheels.

Integrated cockpit: A large cockpit table with flip-up leaves provides ample space for dining and entertainment.

Easy maneuvering: Bow thruster for easy handling and docking.

Functional deck: The deck is clean and open, featuring Harken winches (some electric) and in-mast furling for the mainsail.

Interior layout (2-stateroom, 2-head) Spacious main salon: The light-filled salon features a U-shaped dining area to port with a large table, which can be converted to an extra berth. A two-person settee is located to starboard.

Gourmet galley: A U-shaped galley is located to port with a Corian countertop and includes a three-burner stove, oven, a front-loading refrigerator, and a top-loading freezer.

Nav station: A dedicated navigation station is situated to starboard, containing the electrical panel and electronics.

Forward master suite: This cabin features a large, centerline double berth and ample storage, including a large hanging locker. It has a private en-suite head with an electric toilet and a separate shower.

Aft master cabin: The second stateroom is located in the aft section, featuring a queen-sized berth positioned laterally. It has its own private head with a separate shower that has a second door, allowing it to be used as a day head.

Premium finishes: Interiors are finished with mahogany-stained Alpi woodwork. LED lighting is used throughout.

Performance and construction Proven construction: The hull is solid fiberglass with a molded inner liner, while the deck is a glass-and-balsa sandwich.

Engine: A Yanmar 75 hp diesel engine, with access panels for maintenance located under the companionway stairs.

Balanced sailing: The Oceanis 50 is known for its balanced sail plan and stable hull, providing excellent performance for cruising. 2013 Beneteau Oceanis 50
