Liferaft 7 Person (2022) - expired 1-25 needs recertification

Accommodations The galley runs along the starboard hull from the base of the stairs to the aft bulkhead. The galley is L-shaped and provides work space and storage. The countertops are Corian. A top-opening freezer, a front-opening fridge & the oven are situated along the hull-side. Cabinets are above counter level. Microwave oven. Through the bulkhead at the rear of the galley is a door that leads into the cockpit locker, which can serve as extra storage.

The aft cabin is to port of the companionway & has a large double berth & storage locker. It is accessed through door in the port, aft bulkhead. Forward of that is the aft head which can be accessed from the cabin or from the salon. Between the head and the port settee is the forward facing nav station with ergonomically friendly seat that has storage below.

The salon consists of a large U-shaped dinette to starboard, with a bench amidships and a 2-person settee to port. The bench provides added storage. The table lowers to form a double berth and has a leaf which can be inserted or removed.

The door to the forward/master cabin is offset to port. The cabin has plentiful storage with cabinets to port and to starboard and beneath the bunk. Three opening hatches provide ventilation and light. A queen-sized berth can be accessed from either side at the foot and has drawers beneath. The head is to starboard and has a separate shower stall.
