ABOUT

Freedom

LOCATION

Lighthouse Point, Florida, United States

2015 Beneteau Oceanis 55'

"Freedom"

Freedom is by far the most well kept and appointed sailing vessel to hit the market!!! With 3 luxurious staterooms all with ensuite heads, Freedom is comfortable for both owners and her guests. With a beam over 16 feet, she has a very large salon and galley for entertaining or just relaxing. Freedom is completely set up for long-range cruising and with a shoal keel, she is the ideal sailboat for the Bahamas, Keys, and Caribbean. Freedom is owned by experienced sailors who sailed her from Southern California through the Panama Canal to Florida just last year. She has a 1000-pound rated arch that boasts 820 watts of solar and Lithium Iron Phosphate house batteries for plenty of power. The Yanmar 4JH80 engine with three 53-gallon fuel tanks has a 1000-mile motoring range at her cruise speed. Additionally, she has a Code 0 and 3A asymmetrical spinnakers and a staysail combined with her tri-radial laminate main and jib that allows Freedom to make tracks under sail. The 15-gallon per hour AC & DC powered watermaker fills both 60-gallon fresh water storage tanks so there is plenty of water for extended voyages.

Freedom also has an extensive B&G electronics package with 5 MFD, Navionics Platinum Plus navigation software, Starlink, Iridium Go with arch-mounted antenna, cell phone booster with arch-mounted antenna, WIFI and Bluetooth integration, and a 2000-watt sine wave inverter. Yanmar engine data is integrated into the MFD network to have visibility into fuel burn and engine data.

Inside Freedom she has a very large salon with great light due to the vast number of overhead and hull windows that brighten the space. The salon has a beautiful couch as well as a sectional with an expandable table that seats 8. Freedom has a large galley with a 3 burner range and oven, refrigerator and separate deep freezer, two-section sink with a pull-out faucet, additional filtered water faucet with blue light purification, microwave, dishwasher, and a lot of storage space. To stay comfortable, she has a central chiller with 4 air handlers that run off of shore power or her 8kw Fischer Panda generator. The vessel has vacuflush heads in all 3 staterooms as well as a Jabsco manual head in the crew quarters in the bow with two bunks and a shower. There are USB power stations in each stateroom. Each stateroom has upgraded mattresses and spring bases to make sleeping aboard an enjoyable experience.

Freedom was recently detailed and bottom painted and is ready for her next owner. The boat comes with an extensive spare parts, inventory, sailing rigging inventory, and is truly ready to leave the dock on its next adventure anywhere its new owner desires to take her.

Vessel Walkthrough

Freedom has a spectacular three-stateroom, three-ensuite head interior.

The master stateroom is forward and features a luxurious island queen bed with an upgraded mattress and spring base. The mattress lifts up and allows for storage beneath. There are lockers for clothes and other personal items. Two opening hatches and two large windows in the hull add an incredible amount of light and air.

There is a Samsung TV and a Fusion stereo system for your entertainment.

The master head is divided with the ensuite shower to starboard and the head to port! The head features a freshwater vacuum flush marine toilet, vanity, mirror, and sink. There is also plenty of storage for toiletries.

Freedom has a very large salon with great light due to the vast number of overhead and hull windows. There is a beautiful couch and a sectional with a expanding teak table that seats 8. There is also a Samsung TV that can drop into the cabinetry when not in use.

Moving further aft is the well-equipped galley to port and the navigation station to starboard.

Twin queen staterooms with ensuite heads and showers are located on either side of the companionway. These staterooms have large hull windows that add quality light and views.

All the staterooms are fully air-conditioned or heated depending on the circumstance.

Over all she has all the attributes of a fantastic world cruiser!

Galley

• Located in the aft part of the salon to port

• Eno three burner propane stove with oven

• Two-section SS sink with custom pullout Galley Faucet
