ABOUT

Beneteau Sense 50

LOCATION

Corfu, Ionian Islands Region, Greece

Beneteau Sense 50 (2012) is a remarkably comfortable and intelligently designed cruising yacht, offering exceptional volume and stability for extended Mediterranean passages. With her innovative Sense concept and generous beam, she delivers a true “floating apartment” experience combined with confident offshore performance, ideal for family cruising and long-distance adventures. The Beneteau Sense 50 is a 14.98-meter cruising yacht designed to maximize onboard space, comfort, and ease of handling. Built in 2012 by Beneteau, she represents a modern approach to bluewater sailing with a wide 4.86-meter beam and well-balanced hull form, ensuring both stability at sea and impressive interior volume. Her design prioritizes relaxed cruising and effortless onboard living, making her an excellent choice for extended Mediterranean voyages.

Powered by a Yanmar 4JH4-TE 75 HP diesel engine (55 kW), she delivers reliable and efficient propulsion for harbor maneuvers and motoring passages. The onboard Cummins Onan 230V 6kW generator ensures full autonomy at sea, supporting air conditioning, galley systems, and entertainment. Advanced Raymarine navigation electronics, including dual E90 plotters, E120 hybrid touch display, AIS Class B, radar system, and ST70 autopilot suite, provide comprehensive situational awareness and safe passage planning.

Accommodation is designed for comfort and practicality, offering a spacious layout with forward cabin, starboard cabin, and a convertible saloon. Each space is optimized for natural light and ventilation, creating a warm and inviting onboard atmosphere. The yacht is well-suited for both private family cruising and hosting guests in comfort.

Outdoor living is a key highlight, with a large cockpit, multiple sail configurations including a 63 m² mainsail, 60 m² genoa, and 185 m² asymmetric spinnaker, delivering versatile sailing performance. The deck layout ensures easy handling with a self-tacking jib system and efficient sail management.

Maintained with attention to detail, including recent battery upgrades in 2024 and professional paintwork in Awlgrip Vivid Red, this Beneteau Sense 50 presents a well-kept and capable cruising platform ready for her next owner.

MAIN FEATURES

• Built: 2012 Beneteau Sense 50

• Engine: Yanmar 4JH4-TE, 75 HP (55 kW), Nov 2011

• Generator: Cummins Onan 230V / 6kW
