Welcome aboard Carolina Blues

Carolina Blues is the newest and lightest used 2025 41' Swift Trawler on the market!

Carolina Blues made her debut in February of 2025 to her first owners following the Fort Lauderdale Boat Show. The boat was diligently taken care of and used primarily for cruising up and down the east coast and the occasional trip to Bimini. Carolina Blues is praised for being a user-friendly boat that requires minimal hands on deck, and is ready for any boat lover.

There are several key features of Carolina Blues that make this boat a favorite amongst boaters. It has three spacious cabins for family and friends, a comfortable kitchen and bar for entertaining, and a luxurious lounge area at the bow that sets the tone for a great day on the water. The ample living space, both comfortable and practical, help make entertainment for guests easy and enjoyable. The Swift Trawler 41has an on-board capacity of up to 7 passengers. Her build has a fluid and balanced profile, emphasized by a slender flared out hull, which means she cuts perfectly through the sea. Her hull has also been designed for optimum fuel consumption and efficiency.

Recent Work:

• Annual service on the engines and generator were completed (Dec. 2025)

• Starlink installation

• Custom carpet overlays on interior flooring for sound dampening

• Custom fitted magnetic exterior sunshade for windows

• Teak was refinished and finsihed with UV protectant sealant.
