ABOUT

Andiamo

LOCATION

La Ciotat, Provence-Alpes-Cote-d'Azur, France

Launched by Benetti in 2009, ANDIAMO is a sleek displacement superyacht designed by Massari Design and Stefano Natucci. With a 10.4-metre beam, a 3-metre draft, and at 996 GT, she strikes a good balance: substantial internal volume paired with a versatile draft, giving her access to intimate bays while maintaining exceptional ocean stability. She is MLC compliant with low engine hours, and wheelchair friendly.

Formerly known as LADY LUCK and LADY LARA, she boasts a proven track record on the global charter market. She has been enjoyed purely as a private vessel over the last five years, with the current owner committing over €15 million in ongoing investment. Coupled with extensive annual maintenance periods, ANDIAMO enters the market in turn-key condition and full class compliance.

Across her six staterooms, ANDIAMO accommodates up to 12 guests, with a complement of 15 crew. A master suite spread across two levels is located on the main deck. Full beam, it contains an owner's office, ensuite, and a separate observation lounge. Four additional cabins are located on the lower deck—seven additional crew cabins are located aft. Above, a VIP cabin and Captain's cabin are located on the bridge deck.

On deck, she was built for effortless outdoor living. Her expansive sun deck features a Jacuzzi, breezy outdoor gym, and sunbathing space; the bridge deck and sub deck both offer alfresco dining. At the water line, her transom converts into a convenient beach club, providing easy access to both the water and her tender garage, fully equipped with toys.

Powered by twin MTU engines with zero-speed stabilisers fitted for maximum comfort, ANDIAMO boasts a 6,000 nautical mile range at 10 knots, cruising at 12 and with a maximum of 16, making her as capable of transatlantic crossings as she is in secluded Mediterranean bays.
