ABOUT

Cuff Link

LOCATION

Grand Haven, Michigan, United States

CUFF LINK is a Benetti Legend 85, built in Viareggio and designed by Stefano Righini, with interiors by Zuretti. At 85 feet, she combines classic Benetti styling with generous interior volume, teak decks, and a well-appointed layout designed for comfortable cruising and extended time aboard.

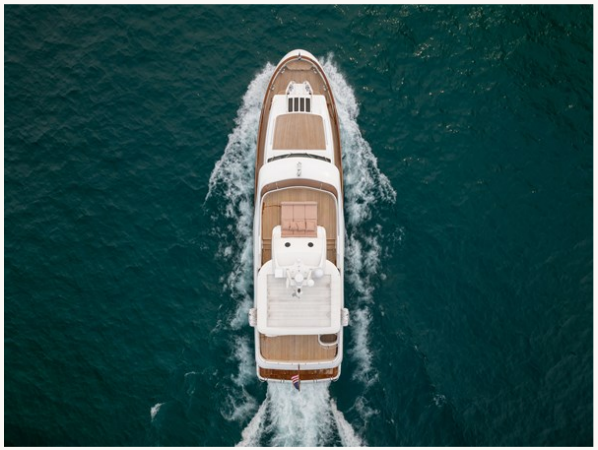

Her accommodation includes four staterooms for up to eight guests, highlighted by a full-beam master stateroom on the main deck. Large hull windows bring natural light into the space, while custom joinery, a centerline berth, a dedicated vanity area, and ensuite create a comfortable private retreat. The yacht also features a full-beam VIP and two twin guest staterooms, with crew accommodations aft for up to three.

Powered by twin Caterpillar C-15 diesels, CUFF LINK offers a cruising speed of approximately 12 to 12.5 knots and a maximum speed of approximately 14 knots, with a range of about 1,500 nautical miles at 10 knots. Her large flybridge provides additional space for enjoying time underway or at anchor, complementing the yacht's spacious interior and versatile four-stateroom layout.
