ABOUT

Emina

LOCATION

Fort Lauderdale, Florida, United States

Built in 2014, EMINA is a 42-metre Benetti Veloce 140 combining Italian craftsmanship with the performance advantages of Benetti's patented D2P hull. Developed to offer efficient displacement cruising alongside higher-speed capability, her semi-displacement design is powered by twin 3,460 hp MTU engines, delivering a cruising speed of 16 knots and a maximum speed of 24 knots.

Beyond her performance, EMINA benefits from substantial recent technical investment, including QL3 servicing of her main engines, rebuilt generators, upgraded power conversion equipment and extensive electrical system replacement. Her 10-year RINA class survey has also been completed, adding to her appeal as a well-specified Benetti with significant machinery works already undertaken.
