ABOUT

Seascape V

LOCATION

Fort Lauderdale, Florida, United States

SEASCAPE V represents an exceptional opportunity to acquire one of Benetti's most celebrated semi-custom superyachts. As Hull No. 5 of the highly regarded Vision 145 series, she embodies the qualities that have made the model one of the most successful yachts ever produced by the Italian shipyard: timeless styling by Stefano Righini, elegant interiors by François Zuretti, remarkable interior volume, and true long-range cruising capability. With 443 gross tons of interior volume, five beautifully appointed guest staterooms accommodating up to ten guests, generous crew accommodations for eight, and a range approaching 6,000 nautical miles, she offers the comfort, capability, and functionality typically associated with significantly larger yachts.

Originally commissioned by an experienced yachtsman who helped refine the design after chartering Hull No. 1, SEASCAPE V incorporates thoughtful owner-driven improvements that distinguish her from earlier examples in the series. Throughout her life she has benefited from meticulous maintenance and continuous investment, including an extensive interior refresh directed by François Zuretti, significant bridge electronics and communications upgrades, rebuilt Northern Lights generators, the successful completion of her 25-Year Lloyd's Class Survey, and the installation of Naiad Zero Speed stabilization in January 2026. Rather than simply preserving the yacht, successive owners have modernized her systems while respecting the timeless design and engineering that define the Vision 145 platform.

Powered by twin Caterpillar 3508B diesel engines, supported by globally recognized equipment manufacturers, and maintained to Lloyd's Class standards, SEASCAPE V offers buyers a rare combination of pedigree, proven engineering, and operational confidence. Her expansive interior living spaces, signature Winter Garden, private owner's terrace, professionally equipped galley, and multiple exterior entertaining areas create an onboard experience equally suited for family cruising, entertaining, or extended international voyages. For discerning buyers seeking a world-class superyacht that balances elegance, reliability, and long-term ownership value, SEASCAPE V stands among the finest Benetti Vision 145s ever offered to the market.

Full specifications
