ABOUT

Ebyshine

LOCATION

Ventimiglia, Liguria, Italy

EBYSHINE is a striking 30m (98.4ft) motor yacht delivered in 2023 by the Turkish shipyard Blaundus. As hull #02 of the B30 Series, she features exterior styling and naval architecture by Unique Yacht Design, with interiors custom-crafted by Blaundus Yachts. With an impressive gross tonnage of 219 GT, she offers exceptional volume for her size, setting a new benchmark in the 30-metre class.

Designed for seamless indoor-outdoor living, EBYSHINE boasts expansive deck spaces ideal for relaxation and socialising. Al fresco dining is available across three decks, and the main deck master suite includes a private fold-down balcony. A folding beach club transforms into a generous 22m² waterfront terrace, perfect for lounging by the sea.

Her beautifully styled interior is light-filled and contemporary, offering a large salon, an elegant indoor dining area, and a fully equipped bar. Accommodation is designed for up to 10 guests in five luxurious cabins, including two master suites—one full-beam on the main deck forward and the other on the upper deck—as well as a full-beam VIP cabin and two twin cabins on the lower deck.

Powered by twin MAN 1,300HP engines, EBYSHINE reaches a top speed of 13.5 knots and cruises comfortably at 10 knots, with an outstanding range of 4,000+ nautical miles. She is equipped with CMC zero-speed stabilisers for enhanced comfort underway and at anchor, and is privately registered but charter compliant.

Expansive windows throughout provide panoramic views and fill the interior with natural light, making EBYSHINE a standout choice for long-range cruising in complete comfort and style.
