ABOUT

Boston Whaler 130 Super Sport

The 2024 Boston Whaler 130 Super Sport is a compact, easy-to-handle runabout that packs plenty of capability into a nimble package. Powered by a 40 HP Mercury 4-stroke outboard with no-feedback steering and an aluminum propeller, this Super Sport is perfectly suited for quick trips around the sound, fishing excursions, or a family afternoon on the water.

Finished in full-hull Glacier Green with chrome graphics and a silver model designator, this 130 Super Sport has a sharp, distinctive look. Black canvas, a white rubrail with stainless steel insert, welded stainless steel side rails, synthetic teak boarding steps, and a swim ladder. The windshield, bow locker, bow and stern lifting eyes, and generous interior freeboard add even more practicality.

At the helm, a tachometer and VesselView Mobile monitoring keep the essential engine information close at hand, while an all-around navigation light and 12V receptacle add convenience. Inside, the fiberglass helm bench seat provides comfortable seating for the captain, with a fiberglass side console offering additional storage and two drink holders keeping the essentials within reach.

The 130 Super Sport is right at home around Wrightsville Beach, where you can cruise the Intracoastal Waterway, make your way toward Masonboro Inlet, or spend the afternoon exploring the waters around Masonboro Island. Take in the views around Johnnie Mercer's Pier or head toward Crystal Pier before settling into a quiet soundside cove. With its manageable size, 40 HP Mercury, trailerability, and versatile layout, this Boston Whaler is ready for everything from a quick sunset cruise to a full day of Wrightsville Beach adventure.
