ABOUT

Boston Whaler 130 Super Sport

The 2025 Boston Whaler 130 Super Sport is a compact, easy-to-handle runabout that packs plenty of fun into a small package. Powered by a Mercury 40 FS FourStroke with only 41 engine hours, this 13-foot Whaler is perfect for getting out on the water without the hassle of a larger boat. Its light blue gelcoat gives it a clean, classic look, complemented by the white rubrail with stainless steel insert and chrome graphics with a silver model designator.

The black Suntop with matching boot provides a great spot to escape the Alabama sun, while the windshield adds a little extra protection when you're cruising across the bay. The finished dash applique gives the helm a polished look and rounds out a simple, functional setup that is ready for a day of exploring. Whether you're taking the family out for a quick cruise or spending the afternoon swimming and relaxing, the 130 Super Sport is easy to enjoy.

This Boston Whaler is right at home around Gulf Shores, whether you're cruising through the Intracoastal Waterway, heading toward Orange Beach, or making your way toward the Gulf State Park Pier. Its manageable size makes exploring the local waterways and finding your favorite sandbar simple, while the Mercury FourStroke provides the reliable power to keep the day moving. If you're looking for a versatile little boat that's equally suited for cruising, fishing, swimming, and making memories along the Gulf Coast, this 2025 130 Super Sport is ready to go.
