ABOUT

Boston Whaler 130 Super Sport

Big fun comes in a compact package with the 2026 Boston Whaler 130 Super Sport. Nimble, easy to handle, and designed for shallow-water adventures, this 13-foot Whaler is the perfect choice for everything from cruising neighborhood canals and exploring quiet waterways to inshore fishing and serving as a tender for your larger boat. With Boston Whaler's legendary craftsmanship and a user-friendly design, the 130 Super Sport makes getting out on the water easier than ever.

Powered by a reliable 40 HP Mercury FourStroke engine, the 130 Super Sport delivers efficient performance and easy handling in a compact, versatile package. Its shallow draft makes navigating tighter waterways a breeze, while the thoughtfully designed layout offers plenty of functionality for a variety of on-water activities.

Despite its compact size, this little Whaler is packed with practical features. Lockable, water-resistant storage keeps your essentials protected, while aft swim platforms make getting in and out of the water convenient. Choose from six available helm seating configurations to create the setup that works best for you, and add an optional sun top for a little extra shade on those sunny Florida afternoons.
