ABOUT

Boston Whaler 130 Super Sport

2027 Boston Whaler 130 Super Sport

The 130 Super Sport is Boston Whaler's compact, entry-level model, perfect for first-time boaters, teaching the kids to drive, or simply enjoying easy, versatile time on the water. This build pairs a White hull with Red Graphics and Black canvas for a clean, eye-catching contrast.

Power & Performance

Powered by a 40HP ELPT EFI 4-Stroke outboard, this model offers dependable, fuel-efficient performance that's easy to handle for boaters of all experience levels. A White rubrail with stainless steel insert protects the hull while adding a refined finish, and a Bow Rail adds both style and function up front.

Comfort & Features

• Dash Applique for a finished, upscale console look

• Suntop with Boot (Black) for sun protection when needed

• Black canvas accents complementing the hull color

Trailer

• Galvanized Trailer (without brakes) included for easy towing and storage
