ABOUT

Boston Whaler 170 Montauk

The Montauk series has been a Boston Whaler favorite for generations, and the 2027 Boston Whaler 170 Montauk keeps everything that made it a classic. This 17-foot center console can fish the flats in the morning, beach at the sandbar by noon and bring the family home at sunset. It's easy enough to launch, run and trailer that you'll end up using it more than you expected.

Like every Whaler, it's built unsinkable. Whether you're running Pine Island Sound, crossing a big lake or exploring your favorite stretch of coast, you'll know this boat was made for real water. High freeboard, stainless rails and a stable, dry ride keep everyone aboard comfortable and secure.

With room to fish from bow to stern, the open layout makes the most of every inch. A new integrated forward fish box with overboard drain holds your catch and doubles as storage when you're not fishing. At the helm, Simrad electronics keep navigation easy and precise. When it's time to run, the 115 HP Mercury FourStroke delivers, and the 25-gallon tank gives you the range to stay out all day.

Simple, smart and built to last, it's ready for Southwest Florida or wherever you choose to make memories on the water. Stop by MarineMax Fort Myers to see it in person, and ask about financing, boating classes and owner events.
