Boston Whaler 170 Montauk

2027 Boston Whaler 170 Montauk

The 170 Montauk is Boston Whaler's versatile mid-size center console, well-suited to anglers and families alike who want an easy-to-run boat for inshore fishing, cruising, or a day on the water. This build pairs a Light Blue gelcoat hull (full) with Chrome Graphics featuring a silver model designator and silver logo, complemented by White Frame (standard) and Black canvas for a clean, classic contrast.

Power & Performance

Powered by a 115HP EXLPT EFI Command Thrust 4-Stroke outboard, this model delivers dependable, efficient performance with added low-speed thrust and control. A White rubrail with stainless steel insert protects the hull while adding a refined finish, and a Split Bow Rail along with a High Profile Stern Rail enhance both safety and style.
