ABOUT

20' Boston Whaler 1999 Ventura

LOCATION

Mendon, Massachusetts, United States

“CURRENT PRICE” IS A GUIDE. ALL OFFERS RESPECTFULLY CONSIDERED.

GENERAL DESCRIPTION

The 1999 Boston Whaler Ventura 20' is a versatile, well-regarded center console boat that combines the brand's legendary unsinkable hull design with reliable performance and practical functionality. Known for its stability, durability, and smooth ride, this vessel is ideal for fishing, cruising, or watersports.

The boat features a spacious deck layout with ample seating and storage, including under-seat compartments and bow lockers, making it easy to stow gear and supplies. The cockpit is open and user-friendly, allowing for easy movement around the boat, and the transom is equipped for fishing or boarding from the water.

Powered typically by a single outboard engine, the Ventura delivers responsive handling and efficient cruising, suitable for both coastal and inland waters. Its rugged construction, combined with Boston Whaler's reputation for quality, makes the 1999 Ventura a dependable choice for boaters seeking a versatile and safe day boat.

ACTUAL CONDITION

Cosmetically, she presents well for her age and has solid potential, though she'll benefit from a thorough interior and exterior cleaning to bring her back to her best. The cushions show noticeable wear and may need reupholstering or replacement depending on your goals.

She's powered by a single Mercury OptiMax 200HP. The engine hasn't been tested, and given its age, it will likely need some routine preventative maintenance before hitting the water-nothing unusual for a boat of this vintage.

Overall, this is a great opportunity for someone looking for a manageable project vessel. She offers a strong platform at a fair entry point, especially for buyers who already have their own trailer, as none is included and we do not have one available at the moment. With a bit of attention, she could make a fantastic boat for the upcoming season.

ENGINE(S) CONDITION
