ABOUT

Boston Whaler 210 Vantage

Imagine climbing aboard a boat where every line, surface, and component feels purpose-built for fun. That's what the 2026 Boston Whaler 210 Vantage offers: a balance of spirited performance, thoughtful usability, and a bit of flair.

You're getting 21 feet of hull that doesn't shy from chop. Power comes from a single Mercury 250 XL V8 outboard, giving confidence whether you're punching out through wakes or just cruising to your favorite cove.

On deck, the design speaks of smart compromises. The dual-console layout gives you flexibility: run fast, run slow, chase sunrise, or knock off with friends in the afternoon. The walk-through layout feels seamless. The surfaces are solid, fiberglass where it needs to be, with well-chosen details where your hand meets rail or seat.

Step back and look at her profile: sculpted, clean, confident. She doesn't need flamboyant accents. And out on the water, she delivers. Stable underfoot, responsive at the helm, and trustworthy when the conditions get … interesting.

If you want a boat that's at home in both lakes and inshore runs, that doesn't demand endless babysitting, and that rewards you with low stress and high satisfaction — the 210 Vantage fits the bill.
