ABOUT

Boston Whaler 270 Dauntless

This 2022 Boston Whaler 270 Dauntless brings the confidence of the Unsinkable Legend together with the performance and versatility to make every day on the water an adventure.

Powered by twin Mercury 200 V6 outboards delivering 400 total horsepower, this 27-foot Dauntless has the power and handling to explore beyond the inlet while offering the space to comfortably bring family and friends along. With 300 engine hours, it is a well-equipped combination of proven performance and Boston Whaler's legendary hull design.

The Dauntless is built around versatility. Its open layout provides room to move comfortably around the boat, whether you are fishing, cruising, or enjoying an afternoon at anchor. A 152-gallon fuel capacity gives you the range to explore, while the 30-gallon livewell adds practical functionality for days focused on fishing.

From Naples Bay to Keewaydin Island, Marco Island, and the Gulf, this 270 Dauntless is perfectly suited to Southwest Florida boating.

Located at MarineMax Naples, this Boston Whaler gives you the opportunity to experience the Whaler difference with the support of a full-service dealership, service department, and boating team. Contact our Naples team today to schedule your private showing.
