ABOUT

Boston Whaler 280 Dauntless

This 2023 Boston Whaler 280 Dauntless is a low-hour, exceptionally equipped center console that combines offshore capability, fishing versatility, and comfort for every type of day on the water.

Twin Mercury 300 V8 AMS outboards with only 92 hours deliver impressive power and smooth performance for coastal cruising, offshore runs, and exploring shallow-water destinations. This MarineMax Certified Pre-Owned vessel is equipped with a premium electronics package including dual Simrad displays, FLIR night vision, VHF radio, premium audio, underwater lighting, a hydraulic windlass, and a 10-foot Power-Pole system that expands its capability for both open-water adventures and inshore exploration.

The 280 Dauntless shines because of its versatility, combining serious fishing capability with the comfort and flexibility needed for family days on the water. A spacious bow layout with seating and a removable table creates an inviting area for relaxing and entertaining, while the leaning post, casting platform, rod holders, and tackle storage provide the functionality anglers expect when the focus turns toward fishing.

From early morning runs through the Indian River Lagoon to afternoons anchored near Cocoa Beach or cruising the Space Coast, this Dauntless is designed around the way many owners enjoy boating in Florida.

Backed by MarineMax Certified Pre-Owned standards and supported by our experienced Brevard team, this 280 Dauntless offers confidence throughout the buying process and into ownership. Contact our team today to schedule your private showing.
