ABOUT

Boston Whaler 280 Vantage

MarineMax St. Petersburg is proud to present this exceptionally well-equipped 2022 Boston Whaler 280 Vantage, powered by twin Mercury 300 HP V8 Verado outboards with just under 240 hours. Stored covered in a high-and-dry facility, this 280 Vantage has been well protected from the elements and is ready for its next owner.

The Boston Whaler 280 Vantage is one of the most versatile models in the Whaler lineup, combining the comfort and seating of a premium dual console with the capability and durability Boston Whaler is known for. Whether you're cruising with family, entertaining at the sandbar, fishing for the day, or making longer coastal runs, the 280 Vantage offers an excellent combination of performance, protection, storage, and amenities. The spacious bow, convertible port-side seating, large cockpit, enclosed head, summer kitchen, and abundant storage make it equally comfortable for a day of fishing or entertaining.

This particular boat is nicely optioned with Mercury Joystick Piloting, Raymarine electronics, an aft SureShade, full SeaDek, summer kitchen, windlass, underwater lighting, and much more.

Notable Options & Equipment

• Twin Mercury 300 HP V8 Verado Outboards – Approx. 240 Hours - Smooth, quiet and powerful V8 Mercury outboards provide excellent performance for the 280 Vantage while offering easy serviceability and strong cruising efficiency.

• Mercury Joystick Piloting - Provides intuitive joystick control for low-speed maneuvering and docking, making it significantly easier to move the boat laterally, rotate in tight quarters, and confidently handle crowded marinas. Incorperates autopilot for seamless navagation as well as skyhook for engine anchoring.

• Raymarine Multifunction Display - Integrated Raymarine navigation electronics provide chartplotting, GPS, sonar and vessel information from an easy-to-use helm display.

• Raymarine VHF Radio - Dedicated marine VHF communications integrated into the helm electronics package.

• Fusion Stereo Head Unit with JL Audio Speakers Throughout - Premium marine audio system with Fusion controls paired with JL Audio speakers positioned throughout the boat for excellent sound from the bow through the cockpit.

• Full SeaDek Flooring - SeaDek installed throughout the boat provides a comfortable, non-skid surface underfoot while giving the cockpit and deck areas an upgraded appearance.

• Electric Windlass with Stainless-Steel Anchor - Allows the anchor to be deployed and retrieved directly from the bow without manually handling the rode, making anchoring considerably easier.

• Bow & Cockpit Tables with Dedicated Storage - Removable tables provide convenient dining and entertaining areas in both the bow and cockpit and can be stowed away when additional deck space is desired.

• Summer Kitchen with Electric Grill & Refrigerator - The cockpit summer kitchen makes entertaining on the water easy, with a built-in grill for cooking and dedicated refrigeration for drinks and food.

• Aft SureShade - Retractable cockpit shade provides additional sun protection over the aft seating and entertaining areas while maintaining the ability to open the cockpit when desired.

• Cockpit & Tonneau Covers - Dedicated covers help protect the upholstery, helm and interior spaces while the boat is stored.

• Freshwater & Raw-Water Washdowns - Freshwater is available for rinsing off passengers and equipment, while the raw-water system makes cleaning the cockpit and deck after a day on the water quick and convenient.

• Underwater Lighting - Transom-mounted underwater lights add great ambiance around the boat while anchored, docked or enjoying an evening on the water.

• Vacuflush Enclosed Head with Holding Tank & Overboard Discharge - Private enclosed head compartment equipped with a Vacuflush marine toilet and holding tank system, providing added comfort for longer days aboard.

• Integrated Air Compressor System - Convenient onboard air system is ideal for inflating tubes, floats and other water toys without needing to carry a separate portable inflator.

The Boston Whaler 280 Vantage is an excellent choice for someone looking for a premium dual-console that can truly do a little bit of everything. With twin 300 V8 Mercury power, joystick control and a strong list of comfort and entertainment options, this boat is set up exceptionally well for Florida boating.

This vessel is located off-site from MarineMax St. Petersburg near Downtown St. Petersburg. Please reach out with any questions, additional information requests, or to schedule a private showing.
