ABOUT

Boston Whaler 320 Vantage

This one-owner 2022 Boston Whaler 320 Vantage represents an outstanding opportunity to own one of Boston Whaler's most versatile and sought-after dual-console models. Exceptionally maintained, heavily upgraded and showing just 165 hours, this boat has been equipped well beyond the typical factory configuration.

Powered by twin white Mercury 300 HP V8 FourStroke engines, she combines effortless performance with the smooth, quiet operation and maneuverability that make this 320 Vantage equally comfortable running offshore, cruising the Intracoastal or spending the day at the sandbar.

Finished in Light Blue Gelcoat , extra large hardtop, and black canvas, the boat has a distinctive, upscale appearance. A bow thruster makes close-quarters handling remarkably easy, while the Boston Whaler hull delivers the solid, confident ride for which the brand is famous, not to mention unsinkable.

This 320 was outfitted with an impressive electronics and safety package, including dual 12-inch Simrad NSS12 evo3S multifunction displays, radar, AIS, upgraded VHF communications, and additional onboard electronics.

A professionally installed GOST NT Evolution security and vessel-monitoring system provides GPS tracking along with onboard security and monitoring capabilities including backup battery, door sensor, high-water sensor, infrared beam sensor and audible/visual alarm equipment, which will help with those insurance premiums.

Additional equipment and upgrades:

- Twin White Mercury 300 V8 Four Stroke engines (165 hours)
- Dual Simrad 12" NSS12 evo3S multi function displays
- Mercury Vessel View Display
- Lewmar Bow thruster
- Lenco Electric Trim Tabs

- ICom 1010 Radar R-11
- ICOM Class B AIS 510 transponder system and dedicated AIS antenna
- ICOM VHF radio M605
- Fusion Audio System with JL Audio Speakers
- GOST GPS security & vessel-monitoring system
- Additional battery for electronics
- Underwater lighting
- Cockpit refrigerator
- Cockpit table
- Hardtop opening hatches
- White rub rail with stainless-steel insert
- Canvas Bow & Cockpit Covers
- Canvas Engine Covers
- E-riggers remote electric power antenna and stern light
- Brass Clock & Barometer
- Electric windlass with Bow Remote Control

Shortly after purchase, the owner invested $8,800 in a comprehensive S7 Marine ceramic-coating treatment. The process included paint and gelcoat correction and preparation, followed by ceramic protection of the gelcoat/painted surfaces, stainless and aluminum, powder-coated components, non-skid, exterior hardware, glass, upholstery and engines.

This wasn't simply a quick wax-and-detail treatment—it was a significant professional preservation program designed to protect the boat's finish and keep her presenting at a very high level.

The original owner documented approximately $424,410 in total boat, electronics, protection and equipment investment, including substantial upgrades added beyond the initial boat purchase.

That investment shows throughout this 320 Vantage. Rather than starting with a basic boat and spending considerable time and money adding electronics, security, protection and cruising equipment, the next owner gets a well-developed, turn-key package from day one.

The 320 Vantage has earned its reputation because it manages to be several boats in one. Its dual-console layout provides comfortable seating and protection for family cruising while retaining the open cockpit, performance and functionality serious boaters expect.

Whether the plan is offshore fishing in the morning, lunch at a waterfront restaurant, an afternoon at the sandbar or an extended coastal cruise to the Bahamas, the 320 Vantage handles each mission without compromise.

With one-owner history, only 165 hours, twin white Mercury V8 300s, bow thruster, premium electronics, extensive security and safety equipment, professional ceramic protection and exceptional overall condition, this is not an average 320 Vantage.

It is a highly equipped, meticulously cared for example that should be at the top of the list for anyone searching for a premium late model Boston Whaler 320 Vantage.

Call the listing broker today and arrange your personal walk through, You won't be dissappointed!
