ABOUT

Boston Whaler 380 Outrage

Introducing the 2024 Boston Whaler 380 Outrage—a center console designed for those who want every day on the water in Boston to be unforgettable. With the powerhouse trio of Mercury 400 V10 AMS engines at your command, you'll find yourself cruising confidently past Boston Light, carving through busy harbor channels, and turning heads along the Seaport District.

Sophisticated adventure is at your fingertips, thanks to the Simrad navigation suite. The 16" NSO display, Chirp 3D sonar, and Halo radar bring you precise navigation even when morning fog rolls in or you're threading your way under the Zakim Bridge. Set your course for historic islands, then settle in and crank up the premium audio, complete with satellite weather and radio—your playlist will carry as far as the city skyline.

The 380 Outrage is crafted for socializing and relaxation. Luxurious touches like teak detailing on the exterior, plus versatile fiberglass tables in the bow and aft cockpits, make this an entertainer's dream. Break out the lobster rolls and enjoy the breeze under a retractable electric sunshade, or turn a late-afternoon cruise into a glowing evening with the underwater blue LED lights. Fold-down trolling seats keep anglers at the ready for stripers around the harbor islands.

Comfort, bold performance, and practical features come together seamlessly. Whether you're sunset dining with friends against the Boston skyline, chasing the perfect catch, or simply enjoying the sights and sounds unique to the city's waters, this vessel is built for memories—making every local landmark an open invitation for your next adventure.
