ABOUT

Boston Whaler 380 Realm

2022 Boston Whaler 380 Realm

Built for offshore adventures and comfortable days on the water, this 2022 Boston Whaler 380 Realm pairs capable fishing features with an inviting layout for cruising and entertaining. She is powered by quad white Mercury 300 HP V8 AMS outboards with Joystick Piloting with 470 hours, for a combined 1,200 horsepower and confident maneuverability around the dock.

Finished in Steel Blue with a platinum hardtop underside and black canvas, this Realm features a hardtop with an electric sunroof and skylight, full-glass enclosure curtains, and full side glass. A diesel generator, gyroscopic stabilizer, and retractable sunshade add comfort for longer days aboard. At the bow, a sunshade and teak table create a welcoming spot to relax, while teak tables in the aft cockpit and helm deck offer additional places to gather.

Anglers will appreciate the prep center with livewell, while refrigerated coils help keep provisions cold. The helm is equipped with dual 16-inch Raymarine Axiom XL displays, an additional 16-inch Axiom XL display, open-array radar with satellite weather, RealVision 3D sonar, and thermal night vision with pan, tilt, and zoom. Additional features include a spotlight, transom-mounted blue underwater LED lighting, active engine trim, engine flushing system, SiriusXM satellite radio, and theft deterrent/connectivity system.
