ABOUT

Boston Whaler 420 Outrage

Houston boaters know that having the right boat for Galveston Bay and the Gulf makes all the difference, and this 2025 Boston Whaler 420 Outrage is built for exactly that kind of water. Triple Mercury 600 outboard engines deliver the serious power you need to run from Clear Lake out past Galveston Island and into open Gulf water, with electric trim tabs keeping the ride dialed in no matter the conditions. At the helm, the Simrad 16" NSO triple display navigation package and Simrad Open Array Halo 48" radar make piloting through the Houston Ship Channel or out toward the Bolivar Peninsula feel effortless, while the gyroscope stabilizer smooths things out when the bay kicks up some chop. A diesel generator keeps everything running strong on longer days offshore, and the FLIR thermal night vision means an early start before sunrise over Galveston Bay is never a problem.

This boat is a serious fishing machine too. The deluxe radial outriggers, extensive rod holders, and livewell make it ready for a day chasing red snapper or king mackerel in the Gulf, while the deluxe leaning post/bait station keeps everything organized and within reach. The anchor windlass with stainless steel anchor makes it easy to set up for a day of fishing near the jetties or anywhere along the Texas coast, and the full coaming bolsters and teak detail package add both comfort and a touch of style for those long days on the water.

Out on deck, the Horizon Blue exterior with white frame and chrome accents gives this Outrage a sharp, head-turning look whether you're docked at Kemah Boardwalk or cruising past the Houston skyline on the way out to the bay. The hardtop with sunroof and full side glass keep you comfortable in any weather, and the black canvas and bow sun shade offer relief from that Texas sun during a lazy afternoon anchored near Galveston Island. When it's time to relax, the teak bow table and aft cockpit tables make for an easy spot to enjoy a meal with the water stretching out in every direction.

As evening sets in, the LED and underwater blue lighting turn this boat into a whole different experience, perfect for a sunset cruise back toward Clear Lake or an evening anchored off the coast. Down below, the enclosed head compartment and cabin AC mean comfort doesn't stop when the sun does, and the cabin interior package in natural tones with tan exterior upholstery ties the whole look together. Whether it's a full day offshore chasing fish in the

Gulf or a relaxed weekend exploring Galveston Bay, this 420 Outrage is ready to make Houston boating something special.
