ABOUT

# Nymphaea

LOCATION

Singapore, Central Singapore Community Development Council, Singapore

The 33m/108ft NYMPHAEA (water lilly in latin) is an elegant displacement yacht build in 1984 by the well-known US yacht builder Broward. Since purchased by her current owner she underwent two substantial refit first in 2009/2010 and recently in 2023/2024. The last refit comprised an entire repaint, full teak servicing and recaulking, comprehensive interior refresh and extensive technical maintenance/upgrades in the engine room and pilothouse (full work list available on request).

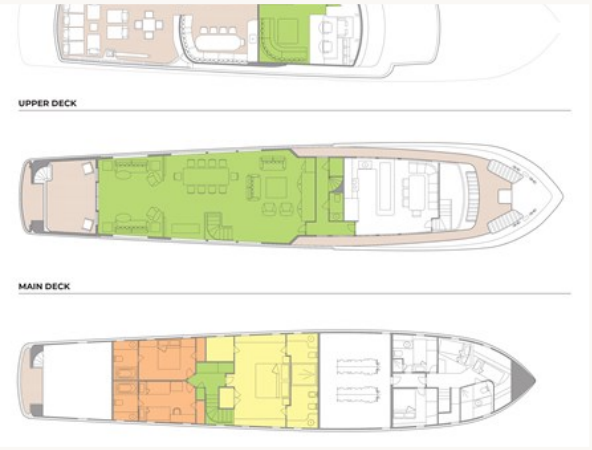

NYMPHAEA boasts exceptional social areas both indoor and outdoor. Her full beam double salon and main dining/sitting area is unique for a yacht of her size, combining vast social spaces with ample daylight and excellent views, especially from the full height sliding windows in the entrance lounge. The large upper deck outdoor area is equally impressive with a hard-top shaded sitting/dining area accommodating up to 10 guests, followed by an expansive lounging area with wide views of the surroundings, and well-shaded when needed by two large removable canvas covers.

Guests accommodations comprise 3 suites for up to 7 people: a full beam master bedroom with his and hers bathrooms, a queen bedroom and a twin bedroom with a third pullman bed, both with en-suite bathroom. Ton the main deck, the galley and adjacent crew mess are very spacious, allowing to prepare complex meals and optimise table service.

This configuration makes NYMPHAEA a great family yacht which also excels at entertaining. And with her 1400 NM range and economical speed at 12 knots, she and her 6m twin engine RIB chase boat comfortably explore South East Asia's coastline.

NYMPHAEA is offered at an attractive price given her excellent condition following her extensive recent refit.
