ABOUT

Burger Classic Motoryacht

LOCATION

Miami, Florida, United States

VICTORY is a classic Burger motor yacht that sleeps six one full beam master stateroom with a king bed and two guest staterooms each with twin berths. There are crew quarters for three forward on the lower deck. VICTORY embodies a nice blend of traditional Burger styling combined with high-tech engineering details. One example of this is reflected in the upgraded Garmin Touchscreen navigation electronics which display all the particulars of the vessel while the pilothouse helm remains original with all the original analog style gauges. Her dark blue hull and dark Cherry interior evoke a feeling of yachting as it should be done. A look inside the engine room, or a glance at the tachometer and GPS while underway, instills a confidence in this design that she was indeed meant to be at sea.
