ABOUT

# Dream Catcher

Featuring naval architecture by Don O'Keefe and design by Burger, Dream Catcher is a 108' (32.92m) aluminum sportfish yacht that sleeps 6 guests in 3 ensuite staterooms, plus up to 5 crew in 3 cabins.

Built to ABS standards, her sleek interior was substantially updated in 2014 and boasts satin-finished teak, wraparound windows, a wet bar, and an entertainment center in the spacious main salon. Forward of the salon is a dining area with seating for six guests. In 2019 her current owner completed further updates and upgrades.

Dream Catcher's teak cockpit is fully rigged for fishing with a centerline fighting chair, a rod storage locker, transom box plumbed as a livewell, in-deck fish box, freezers, and a transom door with a swim ladder.

Dream Catcher has a shallow draft of less than 6' (2m), allowing her to easily cruise the waters of the Bahamas. Twin MTU engines with 2,735hp each give her a cruising speed of 24 knots and max speed of 28 knots, and with a fuel capacity of over 8,000 gallons, she is ideal for long-distance exploration.

Dream Catcher is part of a small fraternity of high-quality American-built motoryacht-style sportfishers, and this one can really move when needed! She has been maintained in excellent condition and is ready to go anywhere in the world.

KEY FEATURES:

• Sleeps 6 guests in 3 staterooms, plus up to 5 crew in 3 cabins

• Full-beam master stateroom with king-sized bed

• Fully equipped for fishing

*2 x 130lb release chairs

*Huge live bait tanks tubes

*Dive compressor

- Shallow draft of 5'6" (1.68m)
- Fuel capacity of 8,025 gallons
- Twin MTU 12V400 M90 engines with 2,735hp each
- Cruising speed of 24 knots and max speed of 28 knots
- Garmin electronics including wing stations (spent over $300k)
