ABOUT

Easy Water

LOCATION

Anacortes, Washington, United States

Easy Water is a beautifully equipped 2020 Aspen C120 Power Catamaran, offering an exceptional combination of efficient cruising, comfortable accommodations, and versatile outdoor living. Built in the Pacific Northwest by Aspen Power Catamarans, the C120 is a distinctive cruising yacht designed for owners who appreciate the stability, economy, and versatility of a power catamaran.

Powered by a Volvo Penta D6-440 diesel engine with approximately 470 hours, Easy Water offers an efficient and capable platform for exploring the Pacific Northwest. Her Proa Hull Design provides a stable cruising platform, while the innovative Aspen hull configuration is engineered to deliver excellent fuel economy across a wide range of operating speeds.

The exterior features a flybridge with a second helm station, providing an elevated position for navigating, cruising, and enjoying the surrounding scenery. The flybridge offers generous seating, a dedicated helm chair, and additional space for dining and entertaining. Below, the spacious cockpit provides a comfortable outdoor gathering area with a built-in bench seat, cocktail bar, and access to the swim platform.

Inside, the C120 features a bright and inviting salon with beautiful teak finishes, a well-appointed galley, and a comfortable helm station with seating for both captain and co-pilot. Large windows provide excellent visibility and natural light throughout the living space. The thoughtfully designed interior makes the most of the C120's available volume, creating a comfortable environment for extended cruising.

The accommodations include a forward owner's stateroom with a king berth, VIP stateroom with a queen berth, both of which feature an and ensuite head, and a third stateroom with a double bed. The owner's stateroom features generous storage, hanging lockers, large portlights, and an inviting layout designed for comfortable overnight stays.

Easy Water is particularly well equipped for cruising, featuring an extensive Garmin electronics package, including multiple multifunction displays, radar, AIS, and an integrated autopilot system. Additional highlights include

Side-Power bow and stern thruster controls, a diesel heating and defroster system, air conditioning, a Kohler diesel generator, and a substantial house battery bank.

With her efficient diesel propulsion, distinctive proa hull, flybridge, and extensive equipment, Easy Water presents an appealing opportunity for anyone looking for a capable and comfortable cruising yacht in the Pacific Northwest.
