2020 Pardo 50 — Complete Full Refit | Metallic Forest Green | Private Captain Maintained

Rarely does a 2020 model come to market looking, and performing, like it just left the factory. This Pardo 50 has undergone a complete, top-to-bottom refit that puts her in a class above newer model years still on the water today.

Every inch has been transformed with a full custom exterior and interior repaint in a stunning metallic forest green, complemented by brand-new custom tan upholstery throughout the entire boat and newly installed custom teak decking — finishing the transformation with the kind of craftsmanship you'd expect from a much larger yacht.

Mechanically, she's just as impressive. The Volvo engines recently completed a comprehensive 1,000-hour service this summer, so her new owner steps aboard with total peace of mind and zero deferred maintenance.

Maintained by a private captain and professional yacht management company since new, this vessel shows better than yachts several model years newer.

Key Highlights:

• Complete custom full exterior & interior repaint — Metallic Forest Green

• Brand-new custom tan upholstery throughout

• New custom teak flooring — just installed

• Comprehensive 1,000-hour Volvo engine service — completed Summer 2026

• Maintained by a private captain & professional yacht management company since new

• Fully updated navigation electronics package

• Gyro stabilizer

• Williams tender

Don't miss out on a fully refitted, professionally maintained Pardo 50 that needs to be seen in person to be believed. Contact us today to schedule a private showing.
