ABOUT

Capelli Stradivari

LOCATION

Miami, Florida, United States

75 Hours | Twin Yamaha 450 XTOs | Lift Kept | Like New Condition

Now available in Miami, this stunning 2025 Capelli Stradivari 43 offers a rare opportunity to own one of the most distinctive luxury day yachts on the water today. With only 75 hours on her twin Yamaha 450 XTO outboards, this vessel presents in virtually new condition and has been meticulously maintained and lift kept since delivery.

Built in Cremona, Italy—the birthplace of the legendary Stradivari violins—the Stradivari 43 draws inspiration from the craftsmanship, artistry, and attention to detail that made the city famous. Just as the world's finest violins were created here centuries ago, Cantieri Capelli has infused that same commitment to design and precision into this remarkable yacht.

The result is a vessel that blends Italian elegance, innovative engineering, and exhilarating performance into a package unlike anything else on the market.

Powered by twin Yamaha 450 XTO outboards producing 900 horsepower, she offers thrilling performance, confident offshore capability, and effortless maneuverability thanks to Yamaha Joystick Piloting and bow thruster. Her deep-V hull and advanced collar design provide exceptional stability both underway and at anchor while maximizing usable deck space for entertaining family and friends.

Designed around outdoor living, the Stradivari 43 features expansive sun lounges, premium upholstery, full teak decking, multiple social areas, and a sleek hardtop that provides both comfort and style. A removable stern shower system provides a convenient way to rinse off after a swim, while the bow and stern sunshade systems offer additional comfort during long days on the water.

The cockpit transforms effortlessly from a luxurious lounge area to an entertaining space centered around the electrically operated teak table, making the Stradivari 43 equally suited for waterfront dining, island hopping, or entertaining guests at anchor.

Below deck, accommodations include a forward sleeping area, private enclosed head with separate shower, and an aft guest cabin, comfortably sleeping four overnight guests.
