ABOUT

Aquila

LOCATION

Athens, Attica Region, Greece

This particular yacht was meticulously crafted by the Owner of an Italian shipyard as a private floating residence, making it a truly unique yacht. Constructed using only the finest materials for both the interior and exterior, this yacht stands apart from any production line models, offering a level of exclusivity that adds priceless value for potential buyers. Her exterior design fashioned by Fratelli D'Amato and her interior blonde American cherry wood touches by Boscolo & Poluzzi. No one else can own a yacht quite like this one.

She measures 37 meters in length, with a steel hull and aluminium superstructure, designed to provide smooth sailing even in the roughest seas. The yacht comfortably accommodates up to 12 guests across five en suite cabins, including two full-beam master cabins (one located on the main deck), one VIP cabin, and two twin cabins with Pullmans.

Throughout the years, she has been maintained to the highest standards, with significant upgrades ensuring she remains in impeccable condition.
