ABOUT

Sugar Daddy

LOCATION

Fort Myers, Florida, United States

*****ABT-TRAC ACTIVE AND AT REST STABILIZATION SYSTEM*****

When you first step on board, you immediately realize that this is not the typical 450 Voyager. She has been beautifully maintained, with features like a brand new Flybridge enclosure, fresh Flexiteak Decks, custom cabinetry, and fresh soft goods. If you have not been on the Voyager series, you immediately feel like you are on a much larger yacht. One great feature you will probably not find on another one is the recently installed ABT-Trac Stabilizer System. It keeps the yacht comfortable both underway and at rest. The generator was updated at the same time as the stabilizer, which provides the additional power requirements for the system - This was a $100,000 upgrade, making Sugar Daddy an exceptional value!
