The Perfect Coastal Cruiser for Your Next Adventure

Designed by the legendary Frank Butler, the Catalina 36 is the ultimate family-friendly coastal cruiser. Known for its exceptional sailing performance, comfortable accommodations, and secure deck plan, this model offers one of the best values in its size range. Whether you're an experienced sailor or new to the lifestyle, the Catalina 36 delivers a seamless and enjoyable sailing experience.

This particular Catalina 36 is meticulously maintained and ready to sail. Offering 2 cabins, 1 head, and ample space to accommodate up to eight people, she is perfect for weekend getaways or extended coastal adventures. Solo sailing is a breeze, with all lines leading back to the cockpit and oversized Lewmar self-tailing primary winches. The vessel is equipped with essential navigation tools, including Autopilot, VHF, Depth Sounder, and Wind Direction instruments, all integrated for ease of use.

Notable Features Include:

Fixed keel for enhanced stability and performance

Traveler and fully battened mainsail with 3 reef points

154% Genoa roller furling headsail

Factory-supplied Catalina sails

New bottom paint (May 2019)

Recently upgraded running rigging, lifelines, and refrigeration system

New batteries and charger for dependable power

Dinghy tow system for added convenience

The vessel's ownership history reflects pride and care. The original owner kept her in a private dock at Coronado Cays, while the current (second) owner relocated her to Port Royal Marina in Redondo Beach in 2018. Prior to this move, she underwent significant maintenance, including new bottom paint and replacement of the thru-hulls.

Please note that while the boat is currently located at Port Royal Marina, the slip does not transfer with the sale.

This Catalina 36 is ready for her next adventure! Contact me today to schedule a showing or to learn more about this exceptional coastal cruiser.
