2018 Chaparral 191 Suncoast

Powered by: Mercury F115XL 4S

The 191 SunCoast breaks down boating to its basics, while not sacrificing the Chaparral design, style, and quality you have come to expect. A large open concept seating arrangement makes for an inviting cockpit for entertaining or lounging while anchored at your favorite sandbar. The 191 SunCoast is the complete package including, boat, motor, and high-end trailer.

This particular 191SC has been stored inside since new. Has multiple covers to keep it that way. It has been given the best of care and maintenance. Loaded with extras and very low hours. This is very rare find. It is the very high end of any 20' Deck boat you have ever seen. It has the spaciousness of a pontoon boat with the performance of a sport boat. It is a very big 20' boat with lots of seating. Would make an excellent tender to a yacht as well.
