“CURRENT PRICE” IS A GUIDE. ALL OFFERS RESPECTFULLY CONSIDERED.

GENERAL DESCRIPTION

Chaparral's 23' bowrider is powered by a 240hp Volvo V6 coupled with Volvo's latest technology in drives, the Forward Facing Drive (FFD). This drive pulls the boat through the water, as opposed to pushing the boat as traditional drives perform.

This allows superior handling a low and high speed and greater safety while enjoying towed watersports. This unbelievable boat by Chaparral is arguably the world's best sterndrive wake surf boat, with 1000 lbs of ballast and speed control for wakeboarding, and with the FFD and the Surf Gate technology licensed from Malibu, this boat is perfect for wake surfing!
