Chaparral 287 Ssx

2023 Chaparral 287 SSX

The 2023 Chaparral 287 SSX combines impressive performance with a refined layout built for cruising, entertaining, and enjoying time on the water. Powered by a MerCruiser 8.2L MAG HO producing 430 horsepower with just 47 hours, this 287 SSX delivers strong performance with an extended V-Plane hull featuring Kevlar reinforcement, power-assisted steering, Digital Throttle & Shift, and trim tabs for confident handling. The EFX Power-Folding Arch Tower with integrated Bimini provides shade and style, while the extended swim platform with Chaparral's Infinity Power Step makes water access easy. Stainless-steel hardware, a full mooring cover, and canvas enclosure complete the exterior.

Located at MarineMax Lake Lanier, this Chaparral is perfectly positioned to explore the expansive waters and scenic shoreline of Lake Lanier. Inside, plush hinged bow seating, ample under-seat storage, convertible aft seating, snap-in cockpit flooring, and a removable cockpit table create a comfortable space for relaxing with family and friends. The enclosed head features a solid-surface countertop, sink, and vanity, while dual Simrad 7-inch Glass Dash displays provide GPS chartplotting, depth information, and engine diagnostics. A premium JL Audio sound system with Bluetooth connectivity, leather-wrapped tilt steering wheel, dual battery switches with crossover capability, and an onboard battery charger round out this well-equipped 287 SSX.
