ABOUT

Seven

LOCATION

Miami, Florida, United States

This Chaser 500R is in perfect condition. She has been maintained impeccable by her single owner. The vessel has many options, including a cabin with sleeping capacity for 2 persons including a full bathroom. This 500R is perfect for watersports, smooth cruising to the Bahamas, fishing or entertaining. The boat is practical, safe, fast and unique. The vessel features plenty of room for a wide range of water toys, like Seabobs, water skis, wakeboarding gear and diving equipment. Swimmers and divers can easily get out of the water via the sturdy swimming ladder.

This Chaser 500R is also very well suited for use as a superyacht tender. It can take people on board even in rougher seas, and the Orca Hypalon rubber tubes mean that it simply bounces off other boats. In addition, the Chaser 500R can easily sail through shallow 3ft water to drop passengers off at a beach club, for instance. It also serves as a perfect supply boat for superyachts as it is simple to tow and remains stable. The long 600 mile range, thanks to its 700 gallon tank, means that the Chaser 500R can easily follow after a superyacht too, or go on long trips without the need to refuel.

Safety is guaranteed even when children are on board thanks to the thoughtful layout design and walkaround. And the well-equipped galley, spacious seating area around the dining table, and lounge area on the foredeck mean that the only ingredient missing for a true alfresco feast is the right people. She can be yours now. This Chaser 500R is available for viewings in Miami Beach, Florida.
