ABOUT

Reunion

LOCATION

Fort Lauderdale, Florida, United States

This 2022-built CL Yachts CLX96 REUNION is the flagship of the CL Yachts X Series. She breaks from convention among 90–100 foot flybridge motor yachts, pairing rugged, go-anywhere seakeeping with an open, loft-style interior and vast entertaining spaces rarely found in her class. Always maintained to extremely high standards REUNION is offered for sale with a recently completed (Sept 2026) pre-sales survey completed by Elite Marine Surveyors and a CAT engine warranty through January of 2028.

At 96'9" (29.50m) LOA with a generous 24' beam, she is powered by twin Caterpillar C32 ACERT diesels for a top speed of 25 knots and 22-knot cruise. Built in composite construction to RINA classification with a 10-year structural hull warranty, she sleeps 8 guests across 4 cabins plus 4 crew across 2 crew cabins- equally at home hosting effortless entertaining at anchor or covering serious miles on an extended adventure.

On deck, REUNION's design signature is as practical as it is dramatic. A heavy-duty hydraulic Z-Lift swim platform built into the swim platform doubles as an 800kg/1,764lb tender launcher and submerges to form an integrated beachside lounge large enough for the entire family. Forward on the main deck, her generous 24-foot beam opens into the "Piazza del Sole," a circular foredeck lounge with reconfigurable seating and drop-down teak tables that easily hosts a dozen guests for sundowners. Above, the enclosed sky lounge and helm is wrapped in 360-degree glass that lowers completely on both sides at the touch of a button, turning a climate-controlled retreat into a breezy, open-air entertaining deck.

Below, REUNION breaks from convention again with a single-level, open-plan main deck running unobstructed from the aft deck to the bow- traditional main-deck cabins are gone entirely, freeing up flowing lounge, dining, day head, and galley spaces that live and breathe like a loft. On the lower deck, Her full-beam owner's suite is just as generous, anchored by a large skylight that floods the berth with natural light. Forward of a thoughtfully separated engine room, the crew area is equally well considered, with two cabins and a lounge complete with laundry, a sink, and a refrigerator, reached from the aft deck and, via a watertight door, directly from the engine room itself.

Full specifications

OVERVIEW

Builder	Cheoy Lee
Model	CLX96
Year	2022
Type	Motor Yacht
Condition	Used
Location	Fort Lauderdale, Florida, United States

DIMENSIONS

Length overall	96' (29.26m)
