Chris-Craft 31 Launch GT

2025 Chris-Craft 31 LAUNCH GT

Located at MarineMax in Brick, NJ

Twin Mercury 300s with 75 hours

Stock #223412

Experience life on the water reimagined with the 2025 Chris-Craft 31 LAUNCH GT, built for those who crave both excitement and sophistication. Outfitted with powerful Twin Mercury 300 VERADO Outboards, this vessel delivers exhilarating speed for runs up the Metedeconk River or open water excursions out of Barnegat Bay. Navigation is made simple with a Garmin 12" Display and VHF, while the Seakeeper Ride stabilizer system and bow thruster ensure every journey is smooth and docking is a breeze, even when the marina fills up on summer weekends.

Style meets performance on deck, where the Midnight Blue painted hull with Riviera Red stripe stands out against Brick's shoreline. The Heritage Edition teak decking and accents offer both durability and luxury beneath your feet. The GT Hard Top, custom painted to match, features integrated LED lights, a spacious sun shade, and built-in speakers—perfect for relaxing under the sun while anchored near the Mantoloking Bridge or at the mouth of the bay.

Step into an inviting cockpit that's all about comfort and convenience. The almond upholstery is as plush as it is eye-catching, and with a well-appointed galley—complete with sink, refrigerator, and generous storage—you'll be ready for sunset appetizers after a day at F Cove or before heading out to enjoy the sights along the Jersey Shore.

After dark, the onboard LED lighting transforms the space with a warm glow, while the premium audio system keeps your favorite playlist rolling from dockside gatherings at Traders Cove Marina to moonlit cruises past Windward Beach. With the 31 LAUNCH GT, every adventure around Brick takes on new energy—combining elegant craftsmanship, powerful capability, and a true sense of fun on the water.
