Gorgeous styling, meticulous detailing, and a roomy deck layout combine in the Chris Craft 32 Launch, a feature-packed luxury bowrider whose classic lines are unmatched by anything in her class. Big bowriders are popular these days, and the 12-person seating capacity of the 32 Launch allows owners to bring the entire family for an afternoon of fun. Stepping aboard from the extended teak swim platform, the cockpit features Ushaped lounge seating aft, concealed slide-out refrigerator, and a folding teak table that stows under the engine hatch. The starboard console houses a small change room, and the portside console houses a molded head compartment with sink and hand-held shower. A hatch ahead of the driver opens into a compact cabin with a slender double bed. Under the cockpit sole and running forward from the helm is a cavernous ski/wakeboard/storage locker that reaches through to the bow. As it is with all late model Chris Crafts, meticulous fit and finish and eye-catching brightwork add to the visual stimulus of the 32 Launch. Note tumblehome transom. Built on a deep-V hull with moderate beam, Mercury 350hp gas engines (with Joystick controls) reach a top speed of over 40 knots.
