ABOUT

Fortuna

LOCATION

Bodrum, Mugla, Turkey

FORTUNA is the 47.5m flagship of CMB Yachts and the latest of the CMB 155 models. Launched in 2022, she offers a rare combination of generous volume, lifestyle-focused amenities, and modern design. With 495 GT and an 11.9 m beam, she delivers approximately 12 GT more volume than comparable 45–50m yachts, resulting in noticeably larger interior spaces and expansive deck areas.

Designed by the renowned EspenØeino, Fortuna boasts a sleek, sporty profile constructed with high-performance composite materials. Its 47.5meter hull is built with

E-Glass/Epoxy and PVC-corecell foam, ensuring both durability and lightweight performance. The vessel is powered by twin Caterpillar engines, reaching 14 knots and carrying 50,000 litres of fuel, making her efficient and well-suited for extended cruising with 3000nM+ range.

Her four-deck layout is optimised for entertainment, highlighted by a signature sundeck featuring a Jacuzzi with a cascading waterfall, full bar, teppanyaki grill, and a dedicated DJ console with dance floor. At water level, a full-beam beach club and extended hydraulic swim platform create an ideal setting for relaxation and seamless access to watersports.

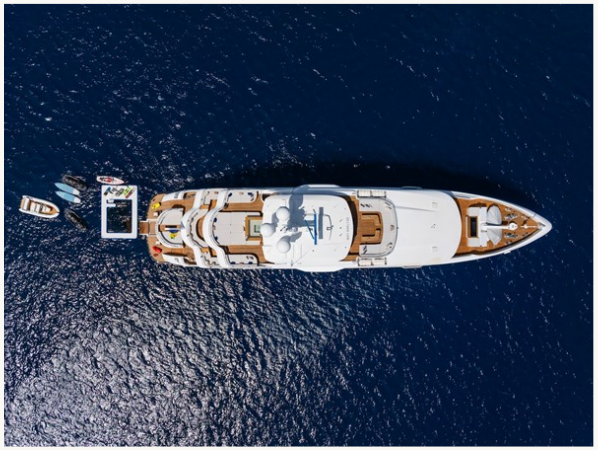

Accommodation is for 12 guests in five suites, including a spacious full-beam main-deck master and four ensuite cabins on the lower deck.

Her owner has been committed to outfitting the yacht with high-spec equipment from the outset, sparing no expense to ensure FORTUNA is maintained at the highest technical standard and kept in top condition.

Overall, FORTUNA stands out as a high-volume, entertainment-focused 47.5m superyacht, offering an exceptional opportunity for both buyers and charter clients seeking a fresh, turnkey platform with strong charter appeal and a refined design pedigree from a reputable shipyard.
