ACTUAL CONDITION

This 2007 Cranchi Endurance 41 shows well for her age and appears to be a solid example of this popular Italian sport cruiser. Overall, she presents nicely, with some cleanup and general maintenance needed to bring her back into full form.

It's believed the outdrives will need to be serviced, so that's something a buyer should plan for. Aside from that, she doesn't appear to need much to get back in the water and running as intended.

If you're familiar with these boats, you know they offer a great combination of performance and layout. This could be a good opportunity for someone willing to put in a bit of work.
