ABOUT

Favor

LOCATION

Nassau, New Providence, The Bahamas

Following a USD 2.0 million refit completed in 2024, this tri-deck motoryacht is presented in exceptional condition, with extensive upgrades throughout. Originally built at 121 feet, FAVOR was professionally extended to 127 feet after construction, creating a significantly larger aft deck and additional crew. She also delivers impressive performance, powered by twin MTU diesel engines that provide both reliability and efficiency.

Her hull and superstructure are constructed of fiberglass.

The skylounge aft deck, main aft deck, cockpit, and swim platform are finished in teak planking, while the side decks, foredeck, and flybridge feature non-skid surfaces.

FAVOR comfortably accommodates up to 10 guests overnight in 5 staterooms.
