ABOUT

Richar

LOCATION

Gocek, Mugla, Turkey

/Y Richar is an elegant, 4 deck, 57m (186ft) Mega-yacht, with an impressive interior volume of 44 gross tons.

Delivered in 2008 to Lloyds classification, her stunning interior design, in a regal Baroque-style, is an opulent work of art, combining engraved mahogany wood, rare marbles and crystal, with the most refined carpets as well as the custom-made seventeenth-century themed furniture, rendered even more stunning by inlays, lacquered decorations, and gold appliqués. The yacht comfortably accommodates up to 14 guests in six luxury cabins, including a vast master suite on the main deck, two VIP cabins, two twin cabins with pullman beds on the lower deck and a double cabin on the upper deck. All cabins are equipped with large ensuite bathrooms and all 4 decks are linked by a convenient and stylish elevator. Some of the unique features of this superyacht are her fully operative wood stove in the panoramic lounge; a video-projector hidden in an overhead which transforms the lounge into a full-size movie theatre; a large 6.5 x 2 meter pool that has an adjustable current that turns the water into an aquatic treadmill; a wellness center styled after a Turkish bath, an aroma-therapy suite, scented fir sauna, a massage room with a beauty shop and a fitness room.

Powered by 2 powerful Caterpillar engines, M/Y Richar can reach a top speed of 15 knots and cruise economically at 12.5 knots, with an impressive range of 4,500 miles. She is stabilized underway and at anchor (zero speed) by very efficient Naiad fins and her 3 Caterpillar generators allow her to stay at anchor as long as wanted. The yacht is equipped with a Shore Power Convertor S.A.E (50hz/60hz). M/Y Richar is sold with a 7m Castoldi tender and a 4.2m Novurania tender, along with 2 x Seadoo jetskis, seabobs and many other toys.

The yacht accommodates up to 13 crew with a captain's cabin by the wheelhouse on the upper deck and 6 twin cabins on the lower deck.

Always used privately, extremely well maintained and up to date with her Lloyds classification, she is presented in excellent condition, with low engine hours and well documented maintenance records.
