ABOUT

2003 Cruisers 3075 Express

LOCATION

Mendon, Massachusetts, United States

BID NOW General Description The 3075 Express is a distinctive boat known for its sleek design that hides its high freeboard. It offers modern styling and luxurious amenities typical of late-model Cruisers yachts. This family cruiser features a conventional midcabin layout with double berths in the front and back, a small galley, and a convertible dinette. The spacious head compartment is conveniently located near the companionway steps.

The standard layout includes a fixed double berth aft, but there's an option for an alternate layout with an aft settee that converts into a sleeper. At the helm, there's a double-wide seat, and molded steps provide easy access to the foredeck through the walk-through windshield. The U-shaped settee at the stern can be transformed into a large sun pad. The boat also features an integrated anchor platform, accessible engine space, and a well-arranged helm with comfortable seating. Various engine options are available, offering a cruising speed of 20 knots and a top speed in the low-to-mid 30s.

A trailer is not included in this sale. Trailers are available through our Mendon, MA office.

Nationwide transportation is available through . Custom Cradles and shipment to port for overseas transport also supplied.
