ABOUT

Cruisers Yachts 50 Cantius

2023 Cruisers Yachts 50 Cantius – Exceptional Condition | Extensive Upgrades | Transferable Warranty Coverage

Experience luxury cruising at its finest aboard this beautifully maintained 2023 Cruisers Yachts 50 Cantius . With approximately 160 engine hours and 80 generator hours , this lightly used yacht has been exceptionally cared for and is ready for her next owner. Fresh bottom paint has already been completed, making her truly turn-key.

This 50 Cantius is loaded with premium factory options and enhanced with some of Volvo Penta's most advanced technology. A standout feature is the Volvo Penta Assisted Docking System with an integrated bow thruster and GPS positioning , one of the most desirable upgrades available for IPS-powered yachts. Working seamlessly with the IPS drives, joystick controls, and onboard sensors, the system automatically compensates for wind and current while providing unmatched precision during close-quarters maneuvering. GPS-assisted positioning helps maintain the yacht's location and heading throughout docking maneuvers, while the integrated bow thruster delivers additional control in tight spaces. Whether docking in a crowded marina or handling the yacht short-handed, this technology dramatically simplifies the experience and provides a level of confidence typically found only on much larger yachts.

Complementing the docking system is the Volvo Interceptor System , which automatically optimizes trim for improved acceleration, efficiency, and ride quality, along with a Seakeeper 6 Gyroscopic Stabilizer that significantly reduces roll underway and at anchor for exceptional onboard comfort.

One of this yacht's most valuable assets is the outstanding warranty package that transfers to the new owner. Enjoy the confidence of a fully transferable Volvo Extended Coverage Plan with approximately four years of remaining coverage , zero deductible , and protection for all Volvo systems, including the Garmin electronics suite . In addition, the Brunswick Passport Premier Warranty also conveys, providing comprehensive coverage for many of the yacht's major onboard systems and adding tremendous value and peace of mind.

Highlights Include:

• Approx. 160 engine hours

• 80 generator hours

• Fresh bottom paint

• Volvo Penta Assisted Docking System with Integrated Bow Thruster & GPS Positioning

• Volvo Interceptor System

• Seakeeper 6 Gyroscopic Stabilizer

• Fully transferable Volvo Extended Coverage (approx. 4 years remaining, zero deductible, includes Garmin electronics)

• Transferable Brunswick Passport Premier Warranty

• Loaded with premium factory options and equipment

Offering the perfect blend of luxury, innovation, performance, and industry-leading warranty protection, this exceptionally equipped 50 Cantius represents one of the finest and most technologically advanced examples available today. She is turnkey, impeccably maintained, and ready to deliver unforgettable days on the water.
