ABOUT

Oxygen

LOCATION

Singapore, Central Singapore Community Development Council, Singapore

This 2015 Ferretti Custom Line 100 — built by Custom Line, the performance division of the Ferretti Group — has had just one owner since new and has been privately used, never chartered.

Based in Asia since delivery, she was originally in China and is now located in Singapore.

The yacht has been looked after by a full-time professional crew and used mainly for relaxed weekend cruising and entertaining friends and family.

She features a 5-cabin layout including a full-beam master on the main deck, two VIPs, and two twin cabins below. The interior is bright, spacious, and finished in classic Ferretti styling. Outdoor areas are well laid out, with a large f lybridge, forward sunbathing area, and a comfortable cockpit for alfresco dining.

Powered by twin MTU 16V 2000 M94 engines, she cruises comfortably at 20 knots and tops out around 27 knots. She's fitted with zero-speed stabilisers for comfort at anchor and underway.
